

5 PLACES TO SHOP FOR SECOND-HAND CLOTHES IN GENEVA

VÊT'SHOP

Rue Lissignol 1-3, 1201 Genève
Rue Leschot 2, 1205 Genève

Founded by the "*Croix-rouge genevoise*", Vêt'Shop is one of the cheapest places to shop for second-hand clothes of good quality. They have a great selection of women's designer clothes and shoes at their Lissignol store near Manor. The Leschot shop at Plainpalais offers an awesome vintage corner, men and kids fashion, and a great selection of costumes for the Escalade and Halloween.

LES FRINGANTES

Rue Vignier 4, 1205 Genève

This store is part of the "**SOS Femmes**" association, which fights against discrimination and stigma for women associated with prostitution and migration. Here, you can find a great selection of casual and work clothes, with a small selection of branded wardrobe. Located in Plainpalais, right opposite the Vêt'Shop Leschot, this little gem is definitely worth a visit.

EMMAÛS

Route de Drize 5, 1227 Carouge

Emmaüs is one of my favourite places for shopping! Not only because of the awesome work they are doing for our community (you can find out more on their website), but also because this store is huge and you can spend hours in there! They have a big selection of women, kids and men clothes, shoes and literally everything else you can possibly imagine. If you're looking for those special retro pieces, this is the place to visit.

POINT ROUGE

9+ boutiques

With over 10 different boutiques and shops all over town, Point Rouge is an integral part of "**Caritas Genève**" - a non-profit association that supports families and people in need. Their shops normally have a selection of clothing, accessories, books, home decor and appliances, kids toys and clothing, sport equipment etc. I haven't had the chance to visit all of their shops yet, but I've found some cool pieces in their Plainpalais store.

CSP

37 rue de Carouge, 1205 Genève
1 rue du Môle, 1201 Genève
34 bd Carl-Vogt, 1205 Genève
15 rue de la Mairie, 1207 Genève

The CSP provides welfare services across 4 different Swiss cantons - GE, VD, NE and BE. They've got 4 shops in Geneva and two big brocantes in Meyrin and Plan-les-Ouates. If you are looking for those extra special branded pieces - look no further! CSP lists them online (link above), giving you the possibility to reserve them from the comfort of your home. How awesome is that?
